Dear Church Family,

I want to thank each and everyone who made our Thanksgiving and Christmas Baskets as well as our Angel Tree ministry a huge success in 2020. This past year was an exceedingly difficult year and we all had to make a lot of changes in our daily lives and routines. The good news is COVID-19 did not hinder God's work through our ministries. We were able to give out 45 baskets and lots of toys and Christmas presents to many children in our community.

I want to thank those who stepped up and made sure the baskets for Thanksgiving were given out while I was sick. So many people volunteered to help and, for that, I am profoundly grateful.

God has allowed us to give to those in need during this very trying last year. As a member of Gosnell Baptist Church, I want to say I love our church and community for always coming through when we need them to. We are truly blessed with a very generous church family.

Thank you all for stepping up and making this ministry such a success each and every year.

**Enter His gates with thanksgiving and His courts with praise; give thanks to Him and praise His Holy Name! Psalms 100:4**

Love to each of you!!

To my Gosnell Baptist Church Family,

On behalf of myself and family, we appreciate all you have done for us these last few months with the death of my mom and then my husband. We are thankful to have a great church family that is so giving. We appreciate the love offerings and food baskets and gifts for the kids and the prayers. I ask for the prayers to continue as we try to make a new normal for us. Again, thanks for all you have done.  
Love and miss everyone.
